The Previous Game Save

Actually, Nobu-san **did** play the game before Anan-kun got his turn...!

IN-GAME (NOBU-SAN'S CASE)
...Listen here... Beard Man.
Starting right now, you will go through a trial.
FWOOO
UOH!
What the?

This is an imper-manent game world...
...of the stories you both like
GEH!

Where?
I hid Anan Naoyoshi within this world.

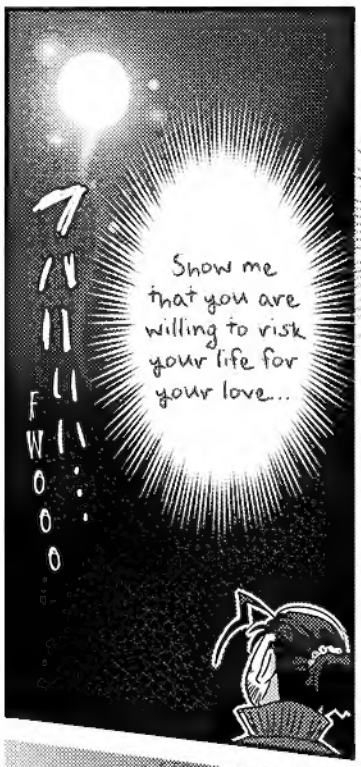
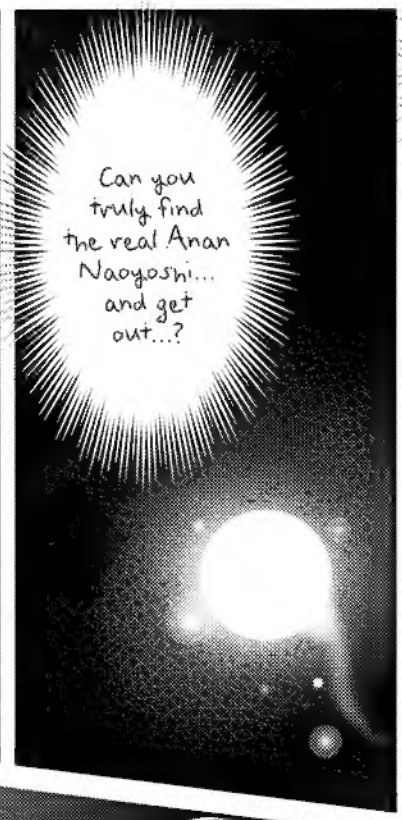
Oi, Wait a damn second.
I dunno who you are,
but I know yer the one who's always dragging us into a game!
If you can locate Anan Naoyoshi and finish the game at the same time,
I will acknowledge you as his better half.
WHAT?

This is the final trial for your love...
Oi.
What the hell d'ya--

But, if you can't find him,
or if you find him, but you cannot finish the game,
I will wipe away your very existence!
AAH?!



Show me that you are willing to risk your life for your love...
FWOOO



Can you truly find the real Anan Naoyoshi... and get out...?

Ya probably meant a game, but just what goddamned game?
What's more, YOU'RE hiding Anan?
Fuck...
Don't make an unreasonable demand for somethin' irrational...

ANAN3

...ta finish the story and clear the damned game...?!!

ANAN6

ANAN4

※NOBU-SAN COULDN'T CARE LESS ABOUT NAMING THEM. SO HE JUST NAMED THEM SEQUENTIALLY.

Hmmm
If that's the case, I ain't got a lead...
Maybe his memory was wiped?
but his character an' shit are totally different.
His way of speaking is just like Anan's,
It's some being that's got the power ta pull ya into a place like this.
I don't even think it's joking...
If I make a mistake or I fail ta clear the game,
it said it's gonna wipe me away from existence.
PBBT
Okay!
ガタン
RATTLE
Even if I do find the real one among 'em, I don't know if I'd be able ta clear the game...
Gal games ain't my cup of tea...

Start readin' from page 23.
Okay, Student (1).
As it stands now, I got nothin'.
At least gimme some kinda hint...

No. Bu. Sa-n.
The resurrection spell is wrong.

A D*CK all of a sudden ?!!

We can game the system.

We can get an ending just by getting laid!!

Hah?!

Thing is,

this gal game was originally requested ta be developed as an ero game.

Basically, all of the characters' endings are an ero event.

WH-WH-WH-WUH... WHAT ARE YOU DRAWING?!

Look at the damned thing, Anan.

Do you hear yourself, Nobu-san?!

Even if you say it used to be an ero game all of ■ sudden...

A normal gal game wouldn't be able ta show this image, right?

The master Sword is complete

Note: Anan says ご主人さま (goshujinsama). Lit. "Lord Splendid". Couldn't work in ■ SNT joke. Sorry, Zelda Fans.

Beard Man
!!
What's more,
you have ensnared my adorable descendant with your body
CAME BACK TO HIS SENSES.
Th-th-th-The cryptic voice?
Thanks to the stupidly sloppy way ya hid him.
However, you have completed the trial admirably.
You found the real Anan Naoyoshi And got out together...
I'll give you credit for that.

ANAN !!
SNK
Oh
FUSHGO
?!
I have once again placed him back in the game world.
I have erased the memory earlier from both of you
OI!
Where did ya take him?!
I'm doing what is best to make my descendant happy!
I'm not particularly inclined to enlighten you
I have no freakin' clue what yer tryin' ta do here, BUD!
And I will have Anan Naogoshi choose his desired partner
HAAH ?!

In any case, you will not remember any of this since I will "reset" you...

?!

Aren'tcha bein' a nuisance instead?

You are my descendant's chosen. That is why I am extending a helping hand to you.

I have already made concessions!

You should be thankful for my help.

...Well...

ぷんこぷんこ

harumph

祈願

...How baffling.

Why did my flawless strategy of sealing his memories and hiding him in the crowd fail...?

祈願

Perhaps it was with the shock from the unexpected kiss

that broke the memory seal I set up...

...
...
...

SNK

WAI--

FUSHOO

※ REENACTMENT

Ahn♡ Ahn♡

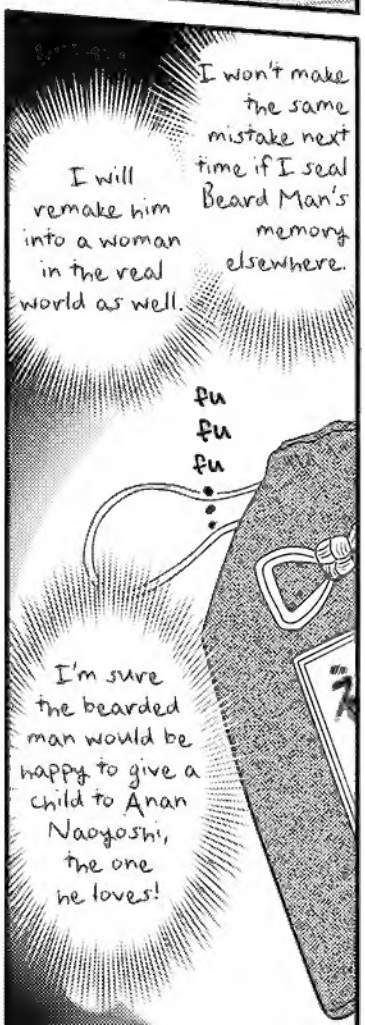
What violence towards my precious, precious descendant (the only son)...

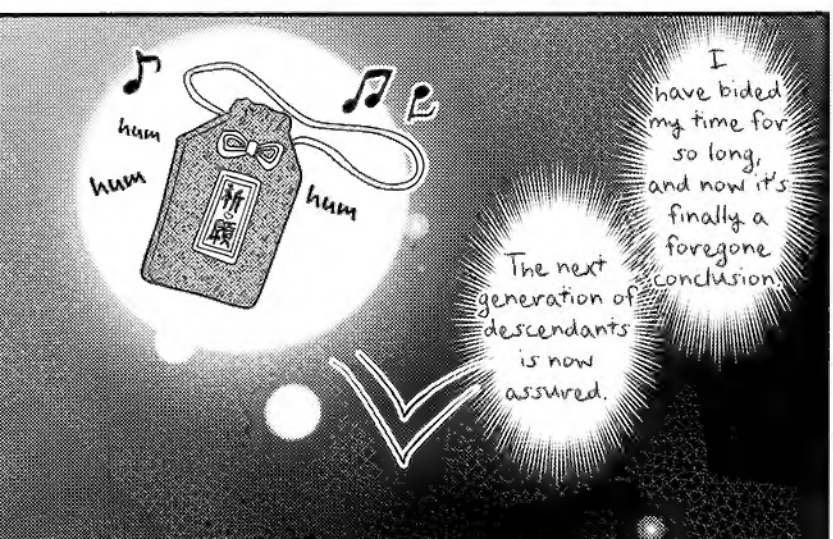
Copulating all of a sudden and forcing the game to complete!

Beard Man saw through my scheme.

Take this! And this! THIS!

Aaa aaa and





Anan Naoyoshi,
I can't wait to see who you'll choose...
